Chef de projet senior · PMO · Program Manager · Product Owner · Business Analyst

Location : Brest, France | Phone : 07 45 65 45 82 | Email : johanproust@pm.me | LinkedIn : [in/johan-proust](https://in.linkedin.com/in/johan-proust) | Portfolio : johanproust.me

PROFILE

Senior PMO and Product Owner, 13 years' experience (7 in Asia), across the full project lifecycle, from strategic framing (Business Analysis) to delivery (PMO / Project Management) to product (Product Ownership). Hybrid tech × business profile with a fact-based, participative decision style.

KEY RESULTS

- > EUR 1B, Project portfolios managed (Defense, Thales ISR)
- +196% traffic / +23% conversion, E-commerce revamp (Diadom)
- 440-2,760 h/year (~EUR 31-135k/year), PMO capacity gain (Credit Mutuel Arkea)
- 5% → 20% (~USD 15M), Export revenue managed (Sichuan Shuhan Plastics)
- 3h → 15 min / bid (-92%), Risk processing industrialized (Thales ISR)

SKILLS

Project Governance & PMO : Project cost control (EVM, WBS/OBS), Risk management (Risk & Opportunity Reviews, EMV), Bid financial steering (RC/NRC, Fixed Price/Cost-Plus), Strategic planning (critical path, gate milestones)

Product Ownership & Business Analysis : Upstream framing (workshops, requirements, specs), Backlog & user stories (INVEST), MVP delivery, Agile coaching (Scrum/Kanban)

Tech, Data & Automation : Apps Script (custom PMO apps), VBA / Excel (industrialization), Java / Spring Boot, SQL (MySQL, MongoDB)

AI & Automation : Personal AI agent design, LLM / MCP integration / prompt engineering, AI architecture watch, Multi-agent system orchestration

Strategy, Commercial & Digital : International business development, SEO/SEA strategy, International contract negotiation (SAP Ariba), Multilingual web platform deployment

Soft Skills & Leadership : Multicultural management, Bilingual EN/FR (C1-C2), Tech ↔ business translator, Full autonomy / builder-operator

PROFESSIONAL EXPERIENCE

- Strategic PMO / Business Analyst | Crédit Mutuel Arkéa | Retail Banking** March 2026 - Present · Brest
- Built a shared qualification framework for the strategic plan (12-18 months), aligning marketing, data, customer experience and process teams.
 - Built a custom PMO application (Apps Script: Kanban, KPIs, milestones, alerts) plus a committee-minutes automation PoC.
 - Delivered an estimated capacity gain of 440-2,760 h/year (~EUR 31-135k/year) through decision traceability and process standardization.
- Product Owner | Internal MVP Application | NeoSoft** Oct. 2025 - Dec. 2025 · Brest / Rennes
- Design thinking, Figma prototyping, UX/UI journeys, iterative Kanban backlog, Dev-Design facilitation.
 - Validated PoC, delivered prototype, and an actionable MVP roadmap with no rework.
- PMO & Bid Management Support | Thales ISR (via MIGSO-PCUBED)** Oct. 2024 - Oct. 2025 · Brest
- Managed a 50+ bid multi-domain Defense portfolio, budgets up to >EUR 1B; RC/NRC financial steering, margin optimization.
- Product Owner + Agile Coach | Secure CRM | EPSI (Capgemini client)** Apr. 2024 - Jul. 2024 · Rennes
- Dual PO + Agile Coach role across 2 teams; Scrum ceremonies, user stories, acceptance criteria, Postman tests.
