3h → 15 min / bid (-92%)

Risk processing industrialized ·
Thales ISR

440-2,760 h/year (~EUR 31-135k/year)

PMO capacity gain · Credit Mutuel
Arkea

DETAILED TRACK RECORD

Strategic PMO / Business Analyst — Crédit Mutuel Arkéa | Retail
Banking

March 2026 - Present · Brest

Leading a shared steering framework for Retail Banking's strategic-plan initiatives.

- Built a shared qualification framework for the strategic plan (12-18 months), aligning marketing, data, customer experience and process teams.
- Built a custom PMO application (Apps Script: Kanban, KPIs, milestones, alerts) plus a committee-minutes automation PoC.
- Delivered an estimated capacity gain of 440-2,760 h/year (~EUR 31-135k/year) through decision traceability and process standardization.
